SCOUTING REPORT

Cole is a next-level talent with tremendous upside. A four-sport athlete that was named First Team All-League in football, hockey and baseball, Cole is an accurate passer who finished his sophomore season with an incredible 18:1 TD/INT ratio. A hard-working, cerebral and coachable performer with natural leadership ability, Cole uses his hips and shoulders well while keeping his eyes upfield, allowing him to continue making plays both through the air and on the ground when forced from the pocket. Cole has been invited to the "US Army All-American Bowl" National Combine in January of 2018, and will be one to watch this fall during his junior campaign! *(Thomas Repicci, CSA PREPSTAR)*
